STATINTL

Dear [REDACTED]

Thanks very much for coordinating the visit of the Colgate Washington Study Group to the Central Intelligence Agency-- and for providing transportation. I'm sorry I did not know ahead of time that one part of my group would provide its own transportation.

STATINTL

I was very happy to have [REDACTED] talk with the Group, as well as the three Colgate University graduates. The briefing was both useful and interesting for the Group and myself.

The students are now in six-week internships in a variety of foreign affairs and domestic agencies and later will intern for six weeks on the Hill.

During January the Group talked with 35 persons who worked in foreign affairs agencies. Twenty of them were Colgate graduates.

Thanks and best wishes,

Robert E. Elder

STATINTL

Dear [REDACTED]

I am sorry to be getting in the information you desired on the members of the Colgate Washington Study Group and for myself and my wife at so late a date, but some of the students were off-campus this semester and were slow in responding. I hope the information I have is what you need.

I will call call you in January after we get to Washington to see what date and time would be satisfactory for us to come to the Agency.

I am not sure how you will want them to get there, but whatever is best we can work out at the time.

If January is not a good time for us to come, we could come later in the semester.

Thanks for your assistance.

Best wishes,

STATINTL

Dear [REDACTED]

STATINTL

[REDACTED] was kind enough to provide your name. I write to you as the 1980 Director of the Colgate University Washington Study Group.

Would it be possible for the Study Group of 15, plus my wife and myself, to set up a briefing at the Agency at a convenient time during the month of January when the Group is studying foreign affairs agencies?

STATINTL

If so, would it be possible for the group to be briefed (and get to ask some questions) on the collection of information and the analysis of information and the problems thereof, as well as having [REDACTED] introduce us to the role of economic analysis?

I would call you very early in January to set up a time if you are willing for us to visit the Agency. Could you give me your number and the best time to call?

With best wishes,

Robert E. Elder

THE STUDY GROUP IS A FULL SEMESTER IN WASHINGTON FOR COLGATE'S BETTER AND BEST POLITICAL SCIENCE MAJORS TO STUDY GOVERNMENT.

IT IS THE OLDEST STUDENT STUDY GROUP PROGRAM RELATED TO THE STUDY OF GOVERNMENT IN WASHINGTON, HAVING BEEN FOUNDED IN 1935.

THE STUDY GROUP WAS FOUNDED BY PAUL JACOBSEN, ABOUT A YEAR AFTER THE AMERICAN POLITICAL SCIENCE ASSOCIATION HAD INTRODUCED AN INTERNSHIP PROGRAM FOR POLITICAL SCIENTISTS IN GOVERNMENT.

THE PROGRAM HAS BEEN RUN IN WASHINGTON EVERY YEAR SINCE, EXCEPT DURING SEVERAL YEARS OF WORLD WAR II, AT A TIME WHEN COLGATE WAS AN ALL MALE SCHOOL AND TOO MANY OF ITS STUDENTS HAD GONE TO WAR TO ALLOW THE DEPARTMENT TO FIELD A STUDY GROUP.

STUDENTS IN THE PROGRAM HAVE NORMALLY HAD A SIX WEEK INTERNSHIP IN A GOVERNMENT AGENCY AND A SECOND INTERNSHIP OF SIX WEEKS IN CONGRESS. SOME INTERNSHIPS IN THE DEPARTMENT OF STATE HAVE RUN SOMEWHAT LONGER.

IN ADDITION TO INTERNSHIPS, THE MEMBERS OF THE STUDY GROUP MEET REGULARLY FOR SEMINARS AND DISCUSSIONS OF ASSIGNED READINGS.

THIS YEAR'S GROUP, SELECTED BY THE MEMBERS OF THE POLITICAL SCIENCE DEPARTMENT, HAS THIRTEEN MEN AND TWO WOMEN. ONE OF THE MEN IS AN EXCHANGE STUDENT FROM HAMILTON COLLEGE.

DURING THE SEMESTER IN WASHINGTON, A NUMBER OF INTERVIEWS WITH PERSONS WHO WORK IN GOVERNMENT ARE SCHEDULED. THIS HAS ALWAYS BEEN A VERY IMPORTANT PART OF THE PROGRAM FOR THE JUNIORS AND SENIORS WHO PARTICIPATE IN THE STUDY GROUP AND WHO NORMALLY ARE STILL DECIDING WHAT ADVANCED TRAINING THEY WILL SEEK AFTER COLLEGE AND WHAT TYPE OF WORK THEY MAY DO AFTER COLLEGE OR GRADUATE SCHOOL.

THE PROGRAM WILL FOCUS ON FOREIGN AFFAIRS DURING JANUARY AND MOST GROUP INTERVIEWS WILL BE HELD IN FOREIGN AFFAIRS AGENCIES OR IN PARTS OF DOMESTIC AGENCIES WHICH HAVE FOREIGN AFFAIRS INTERESTS.

LATER GROUP INTERVIEWS WILL BE IN A VARIETY OF DOMESTIC AGENCIES, AS WELL AS WITH INTEREST GROUPS, REPRESENTATIVES OF THE PRESS OR TELEVISION, AND POLITICAL PARTIES. DURING THE PERIOD WHEN STUDENTS INTERN IN CONGRESS, MOST GROUP INTERVIEWS WILL BE ON THE HILL WITH MEMBERS OR STAFF.

WE GIVE SINCERE THANKS TO ALL OF YOU WHO MAKE THIS PROGRAM POSSIBLE.

Dear Professor Elder:

Please excuse the delay in responding to your letter. I was pleased to hear from you and am sure that the briefing you are interested in at CIA can be set up. Mal Rose is the person who handles such arrangements here. He can be reached at this address:

If you will specify the areas you would like covered, Mal can do the rest. Since the Colgate Washington Study Group is composed of political science students you probably want to hear from a political analyst. If you are interested in the role of economic analysis, I would be glad to talk with your group. I see no reason why your wife should not participate in any briefing that may be scheduled.

Good luck in your 1980 study group.

Very truly yours

[REDACTED] STATINTL

Would you be able to tell me the name and address of the person in C.I.A. that I should write if I went to set up a briefing in the Agency for the Colgate-Washington Study Group which will be doing interviews in various foreign affairs agencies during January of 1980.

I would hope that the Group would be able to talk with someone in analysis and someone in collection in order to try to understand their functions and problems as they interact.

Because of your Colgate background, we would certainly be happy to talk with you if that might also be possible.

I have a group of fifteen very good students this year and I hope it will turn into a very good study group. I have come to the Agency a number of times in the past with students. I would appreciate it if my wife could come with us this year. If everyone is healthy, that would mean a group of 17.

Best wishes and thanks for your help

As you may know, the Group spends both the January Period and the Spring Semester in Washington, so the program really runs from about January 3 to the end of May. Students do internships in agencies for six weeks and then intern for six weeks in Congressional offices.
